This is Holmer Lake Primary School's Publication Scheme on information available under the Freedom of Information Act 2000.

Introduction – Freedom of Information Act 2000

- 1.1 The FOIA was introduced on 30 November 2000 but came fully into force on 1 January 2005. The act gave new rights of access for the public-to-public bodies recorded information.
- 1.2 The FOIA requires public bodies to action two specific legal obligations.
 - to adopt and maintain a publication scheme setting out details of information that the school will routinely make available and how the information can be obtained;
 - to comply with requests for information.

2. What a publication scheme is and why it has been developed?

- 2.1 One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
 - *The manner in which the information will be published; and*
 - *Whether the information is available free of charge or on payment.*
- 2.2 The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.
 - 2.3 Some information which we hold may not be made public, for example personal information.
 - 2.4 This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

3. Aims and Objectives

- 3.1 The school aims to:
 - enable every child to fulfil their learning potential, with education that meets the needs of each child,
 - help every child develop the skills, knowledge and personal qualities needed for life and work,and this publication scheme is a means of showing how we are pursuing these aims.

4. *Categories of information published*

- 4.1 The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

- 4.2 The classes of information that we undertake to make available are organised into four broad topic areas:

School Prospectus – information published in the school prospectus.

Governors' Documents – information published in the Governors Annual Report and in other governing body documents.

Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.

School Policies and other information related to the school - information about policies that relate to the school in general.

5. How to request information detailed in the scheme

- 5.1 If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below.

Contact Address: Head Teacher, Holmer Lake Primary School, Brookside Ave, Telford, TF3 1LD.

- 5.2 If the information you're looking for isn't available via the scheme you can still contact the school to ask if we have it (see FOI request section of this policy).

6. Paying for information

- 6.1 Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.
- 6.2 Single copies of information covered by this publication are provided free unless stated otherwise in section 6. - 8.5 If we do hold the information you have requested then we have to assess this to see if any of the exemptions detailed in the FOIA apply, e.g. if by releasing the information requested we would cause a serious health and safety issue we would apply exemption (section) 38 and not provide you with the information. Exemptions can either be 'Absolute' or 'Qualified'. If an exemption is qualified then we will apply the Public Interest Test to decide if the application of the exemption should be overruled due to public interest.

- consider whether any information that may be of interest is available free of charge, or;
 - consider providing an indication of what, if any, information could be provided without a fee being payable, or;
 - consider advising the requester that by refining the request, information may be able to be supplied for a lower fee or at no charge.
