Rationale

We believe that school uniform plays a valuable role in contributing to the ethos of Holmer Lake Primary and in setting an appropriate tone. It is our policy that all children should wear school uniform and adhere to school rules regarding appearance when attending school, or when participating in a 'school-organised event' outside normal school hours.

We provide a complete list of the items needed for school uniform and acceptable appearance on our school website.

Our Uniform and Appearance Policy:

- is fair and affordable to all parents/carers;
- has taken regard to the Human Rights act 1998 and anti-discrimination legislation;
- does not act as a barrier to parents when choosing a school.
- Meets the Government's expectations of 'all state-funded schools in England to ensure their school uniform policies are reasonable, affordable, and represent best value for money for parents.'

Aims and Objectives

Our policy is based on the notion that a school uniform *can*:

- instil pride and encourage identity with, and support for, school ethos;
- promote a strong, cohesive school identity that supports high standards and equality among pupils;
- support effective learning and teaching;
- promote the health, safety and well-being of pupils;
- support positive behaviour, attitudes and discipline;
- ensure inclusion of all pupils regardless of gender, race or religion;
- protect pupils from social pressure and harassment;
- discourage dress and appearance that encourages anti-social or 'gang' behaviour;
- nurture cohesion and promote good relations and harmony between different groups of pupils;
- enable our pupils to be active in their outdoor play;
- support the needs of pupils with SEND needs, including sensory needs;
- provide an affordable, practical dress code for all families.

Uniform and Dress Code

We require all children to wear the school's uniform, as described below:

Active P.E Uniform
Girls and Boys
Plain black shorts or bottoms (shorts need to be knee length).
Black t-shirt or sweatshirt (OPTIONAL SCHOOL LOGO otherwise plain).
Plain black pumps or plain black trainers.

If a plain PE kit is bought from a shop, this must be unbranded with no logo.

Children must not take part in any P.E. activity wearing inappropriate footwear. From time to time, children may partake in activities barefoot at the discretion of the teacher. Children MUST NOT take part in any P.E. activity wearing socks or tights only on their feet. Parents

are reminded that no child will be excluded from P.E. lessons due to lack of P.E. kit. Spare items are retained in each classroom for this purpose.

Footwear

We require all children to wear plain, black footwear, as described in the school's uniform list. The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes with platform soles or high heels in school, so we do not allow this. Nor do we allow the wearing of backless mules, flip flops or open toe footwear. Muddy boots or shoes must be removed before entering the school premises. During inclement weather, if pupils wear wellington boots, they are required to change into school shoes for the duration of the day.

Pupils are encouraged to bring waterproof coats and wellington boots to school for outdoor play.

Non Uniform Items

In addition to the list above there are also items that are not acceptable to be worn:

Items that are not part of Uniform and Appearance Policy
Large decorative belts worn 'over' clothing.
Large warmers.
Waistcoats.
Ties.
Neck Scarves (other than for outdoor wear).
Hats (other than for outdoor wear in the summer or winter).
Head scarves/coverings (other than for religious reasons that have been discussed with the head teacher).

Competitively priced items in the school colours are available from a wide range of high street stores and supermarkets.

The main supplier of 'logo' uniform items is Baker and Son located in Wellington Telford. The uniform can be purchased in the shop or via the internet. If purchased via the internet this can be delivered to school 'free of charge'. However competitively priced items in the school colours are available from various chain stores.

All items of uniform should be labelled and pupils are responsible for looking after their clothing at all times.

It is important that individual pupils can be identified in order to maintain good order and identify intruders easily. If a pupil's face is obscured for any reason, the teacher may not be able to judge their engagement with learning, or to secure their participation in discussions and practical activities.

Jewellery

The following list the items of jewellery that are permitted:

Acceptable Jewellery	Unacceptable Jewellery
1 wristwatch (silent).	Smart watch or any watch that links to the internet.
1 pair of single plain stud earrings.	Any earrings that 'dangle' or hang below the ear lobe (sleepers/hoops etc.)
Key religious or medical items which may appear to be items of jewellery – in all case permission of the Headteacher must be sought.	Necklaces
	Bracelets
	Rings (including toe rings)
	Other visible piercings

We do not allow children to wear jewellery in our school as it poses a risk of injury and may place a pupil at increased risk of bullying and harassment.

Tattoos

Tattoos, either temporary or permanent are not permitted.

Hairstyles

- It is recommended that long hair be tied back for health and safety reasons, this is true for both boys and girls, especially on P.E. days.
- The school does not permit children to have haircuts that could serve as a distraction to other children or raise health and safety concerns.
- Shaved heads or hairstyles that are deemed by the school to be extreme are not acceptable.
- No markings of any description should be shaved into the hair. If you are unsure whether a hairstyle will be acceptable you are advised to ask the Head Teacher.
- Hair must not be dyed, bleached or beaded.

Make-up

The school does not permit children to wear make-up (unless this is being used for curriculum purposes e.g. school productions/themed non-uniform days) or have nail extensions/false nails.

Non-Uniform Days

From time to time, school may hold 'non-uniform days'. These may involve individual classes or the whole school.

Non-uniform days may be held:

- As a reward e.g. SMARTER cup award.
- To support a National or Local Charity e.g. Red Nose Day, Children in Need.

- To raise funds for the school.
- To develop curriculum days (e.g. St George's Day, World Book Day, Roald Dahl Day etc).

Children are not obliged to wear anything other than their school uniform on these days. These occasions are not meant to cause any additional financial burden to parents, in terms of buying specific clothes or costumes.

We would still expect our pupils to maintain standards of respectability in their dress code in line with our school policy.

Lost Property

The school accepts no responsibility for lost items. All uniform must be labelled clearly with a child's full name and class. Pupils are encouraged to take responsibility for their own belongings.

The school has a lost property box situated in the main entrance; all parents are welcome to look through the items in this box to locate their child's uniform items.

Parents must label all uniform items and check that labelling is still visible on a regular basis. School staff will support parents with this and may direct children to name items.

The Role of Our Children

Our Pupils will:

- Wear their school uniform when attending school, representing the school, or when participating in a school-organised event outside normal school hours.
- Wear their uniform with pride.
- Try to keep their uniform clean and tidy.
- Make sure they follow our uniform policy.

The Role of Parents

We ask all parents who send their children to our school to sign a Home/School Agreement supporting the school Uniform and Appearance Policy. We believe that parents have a duty to send their children to school correctly dressed and ready for their daily schoolwork.

Parents should:

- ensure that their child has the correct uniform and wears it;
- ensure that it is clean and in good repair;
- ensure that all items are correctly labelled;
- ensure their child/children do not present to school in such a way that goes against the school appearance policy.

The Role of Governors

The Governing Body:

- supports the Headteacher in implementing the school Uniform and Appearance Policy;
- considers all representations from parents regarding this policy;
- liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity.

It is the governors' responsibility to ensure that the school uniform meets all national regulations concerning equal opportunities, and that our school Uniform and Appearance Policy is consistent with our policy on equal opportunities.

Governors ensure that the school Uniform and Appearance Policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

The Role of the Headteacher

The Headteacher will give due consideration to circumstances surrounding any pupil's non-compliance with the school's Uniform and Appearance Policy.

The Headteacher can discipline a pupil for breach of the school's Uniform and Appearance Policy. Where a pupil repeatedly refuses to comply with the school's Uniform and Appearance Policy, even if they do not otherwise display poor behaviour, the Headteacher may meet with parents to discuss an agreed way forward.

The Headteacher may ask a parent to remove their child from school briefly to remedy a breach of the school's rules on uniform or appearance. This should be for no longer than is necessary to remedy the breach. This is not exclusion but an authorised absence. However, if the pupil continues to breach uniform rules in such a way as to be sent home to avoid school or takes longer than is strictly necessary to effect the change, the pupil's absence may be counted as unauthorised absence.

When making this decision, the child's age, vulnerability, how easily and quickly the breach can be remedied and the availability of the parent will be considered.

If a pupil repeatedly infringes the school's rules on uniform or appearance, this may constitute a disciplinary offence and may be grounds for exclusion.

The application of these sanctions ensures that pupils' learning is not affected whilst enabling the school to implement the policy in a fair and consistent manner.

A parent/carer of any pupil with a genuine reason for not wearing an item of uniform must inform the school outlining the reason and agree a date when the pupil will be wearing the correct uniform.

If no communication is received any pupil who is deemed to not be following the uniform and presentation policy, will be asked to rectify the problem immediately. This may involve the school providing suitable clothing or footwear, or may require the child to remove something e.g. the washing off of make-up, or the removal of headwear and pupils will be reminded of the Uniform and Appearance Policy.

Pupils who choose not to follow the Uniform and Appearance Policy will be dealt with in accordance with the behaviour policy.

Pupils who follow the policy will be rewarded regularly.

The Role of Staff

The staff will:

- support the Headteacher in maintaining high standards of uniform dress and inform the senior leadership team immediately when pupils do not follow the Uniform and Appearance Policy.
- act as role models in the wearing of appropriate clothing.
- make discrete and sympathetic enquiries when children fail to wear school uniform.
- be aware of children whose standard of dress may indicate care issues at home and report concerns to the appropriate persons (see Child Protection Policy);
- give positive encouragement to children setting good examples of dress.

Human Rights

It may be possible for many religious requirements to be met within a school Uniform and Appearance Policy. It is our intention to act reasonably in accommodating religious requirements, however, the freedom to manifest a religion or belief does not mean that an individual has the right to manifest their religion at any time, in any place, or in any particular manner. The Human Rights Act justifies interference with pupils' rights on grounds of health and safety, and the protection of the rights and freedoms of others.

In fulfilling our obligations, we balance the rights of the individual pupil against the best interests of the school community as a whole. In some situations, we may consider that we have good reason to restrict the individual's freedom, for example to promote cohesion and good order, to prevent bullying, or due to genuine concerns for health and safety.

Equality and Discrimination Issues

In formulating our Uniform and Appearance Policy we have considered our obligations not to discriminate on grounds of sex, race, disability and religion. This policy has been written in conjunction with our Equality policy.

Help with Cost

If any parent/carers cannot provide their child with school uniform because they cannot afford it financial help may be available. School uniform may include clothes for P.E. The parent/carer should initially talk (in confidence) with the Parent Support Advisor, Mrs Davies (see also www.gov.uk/help-school-clothing-costs).

A wide range of good quality second-hand uniform items are also available from [Telford Crisis Support](#)

Amendments to Uniform

The Governing Body implements the school uniform policy. If any parent would like to suggest practical changes to the school uniform, they should initially speak to the Headteacher. Any suggestions receiving popular support will be represented to the Governing Body for their discussion. The day-to-day implementation of school uniform lies with the Headteacher.

Monitoring and Review

When monitoring this policy, through its committee work, the Governing Body will:

- seek the views of parents, to be sure that they agree with the policy, and support it;
- consider with the Headteacher any requests from parents for individual children to have special dispensations;
- require the Headteacher to report to the governors on the way in which the policy is being implemented.
