

HOLMER LAKE PRIMARY SCHOOL

SEND Newsletter

July 2026

At Holmer Lake Primary School, our children are at the centre of everything we do. We aim to identify the needs of all pupils as early as possible. This is part of our graduated approach, in which we **Assess, Plan, Do, Review**. This ongoing cycle ensures that effective provision is put in place and removes barriers to learning. We have a range of interventions taking place daily in our school to meet the needs of all our children. We believe in **inclusivity** for all and strive to make this a reality for all our pupils.

SEND Review Meetings

Week beginning 13th July, your child will be coming home with their school report. Alongside this will be your child's **third SEND review** for this school year. Your child's class teacher will enclose your child's provision map, reviewing, and assessing (**Review and Assess**) your child's progress from the beginning of the Summer Term.

If you have any concerns or would like to discuss your child's provision map or needs further, please speak to your child's class teacher.

Transition

As we work towards the end of the school year, an important part of our work with all children, particularly those with additional needs is to prepare for transition. Our class teachers and Teaching Assistants talk sensitively with the children about moving on and what to expect. There are a range of activities we carry out with the children as needed, including informal additional contact with staff, Our All About Me pamphlet and visits to their new class. Staff liaise closely and share information about children's needs in detail so that their transition is well supported. Our staff have a great deal of expertise in reassuring children and getting to know them quickly, so transitions are usually smooth and happy. Please let your child's current class teacher know if you have any worries about this

Happy Healthy Active Holidays

Free summer activities!

Hundreds of free activity sessions, fully funded, ranging from sports, arts and crafts, cooking and forest school experiences are available to book now as the happy, healthy and active holiday summer programme launches.

The sessions are available to children from reception to Year 11 who are eligible for income related free school meals.

PODS Charity

Find out more about the work of the Forum and how we use your voice to improve outcomes for your families.

PODS Parent Carer Forum is the formally recognised, independent peer-led organisation, founded in 2008, representing and involving families of Children and Young people with Special Educational Needs and Disabilities (SEND), aged 0-25years.

About Our Parent Carer Forum – Together We Can Make a Difference

We know how much our families are committed and passionate about the SEND world and for those of us who wish to share their knowledge and help us in a more formal way we would like to invite you to be part of our team.

Let's Talk

Please feel free to contact our team who are on hand and ready to help with any questions or enquires.
